The credit limit fees will be invoiced monthly for all credit limits and credit checks delivered to you in the previous month. Increases or decreases of existing credit limit amounts will not be invoiced to you.

Monitoring fees will be invoiced on a quarterly basis for all existing credit limits (except for nil-decisions or new applications in that specific quarter). No monitoring fees will be invoiced for the first 4 quarters of the policy.

* Credit Check: a credit limit request with immediate answer via Serv@Net (positif or negatif), always for a fixed amount of which the height is mentioned within your policy details.
